

XS2RO

Safety Technology – Two-channel Safety Relay Output

Technical data

Type	XS2RO
ID no.	3085075
Function	Extension module
Design	Terminal chamber
Housing material	Plastic, PC, Black
Electrical connection	Removable terminal block, reverse polarity protected, screw connection
Ambient temperature	0...+55 °C
Relative humidity	0...90 %
Protection class	IP20
Tests/approvals	

Features

- Only for use with XS26-2xx safety controller
- PLe acc. to ISO 13849-1
- SIL 3 acc. to IEC 61508 and IEC 62061
- 2 2-channel safety relay outputs
- 2 NO, 1 NC per channel
- Protection class IP20

Functional principle

Additional safety inputs and outputs as well as safety relay outputs can be connected to the expandable safety controller.
Up to eight extension modules can be added in any combination of inputs and outputs to a XS26-2xx expandable safety controller.
